Burns, Oregon 97720

Reference: Application G-17641, Permit G-17153

The assignment by proof from Fred E. Teutsch to Edwin R. Ensz and Shelley R. Ensz has been recorded in the records of the Water Resources Department.

The Departments records will now show Edwin R. Ensz and Shelley R. Ensz as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 115089 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit requires complete application of water to the proposed use by April 17, 2019, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,

Jerry Sauter
