Reference: Application R-73022, Permit R-12106 – Application S-73023, Permit S-53001

The assignment by proof from Loshbaugh Inc. to Earl A. Lang has been recorded in the records of the Water Resources Department.

The Departments records will now show Earl A. Lang as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 115247 covering the recording fees is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.
