Mark and Ramona Hofman  
P.O. Box 874  
Hines, Oregon 97738

Reference: Application G-17090, Permit G-16571

The assignment by proof from Thad and Joyce Geer to Mark and Ramona Hofman has been recorded in the records of the Water Resources Department.

The Departments records will now show Mark and Ramona Hofman as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 115614 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by August 27, 2014, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst  
Water Right Services Division
