Reference: Transfer T-9494

The partial assignment by proof from Larry Flanagan to Norma Flanagan has been recorded in the records of the Water Resources Department.

The Departments records will now show Norma Flanagan and June Wood as the receiving Landowners of record for the transfer.

Our records have been changed accordingly and the original request is enclosed. Receipt number 114280 covering the recording fee is also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Sincerely,

Jerry Sauter
