Application S-72461, Permit S-51950

The assignment by proof from Evergreen Agricultural Enterprises, Inc. to Sarbanand Enterprises, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Sarbanand Enterprises, LLC as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 115646 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that these permits required a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE) or an application for extension of time years ago. As of this date, the claim of beneficial use or application for extension of time has not been received by the Department. This places this permits at risk of cancelation proceedings being started.

Sincerely,

Jerry Sauter
