

**BEFORE THE WATER RESOURCES DEPARTMENT
OF THE STATE OF OREGON**

In the Matter of Water Rights Application)
S-87789, Jackson County)

FINAL ORDER
APPROVING THE USE OF
STORED WATER

Authority

ORS 537.147 establishes the process by which an application to use stored water exclusively may be submitted. OAR Chapter 690, Divisions 310 and 340 implement the statute, and provide the Department's procedures and criteria for evaluating applications to use stored water exclusively.

Findings of Fact

1. On March 26, 2012, BPPERRY PROPERTIES LLC submitted an application for a water-use permit pursuant to ORS 537.147. The Department provided public notice of the application in the Department's weekly public notice on August 21, 2012. A 30-day comment period followed.
2. The Department has evaluated the application and any comments received, and finds that no public interest in ORS 537.170(8) would be affected adversely by the proposed use.

Conclusions of Law

Application S-87789 is consistent with the requirements of ORS 537.147, and OAR Chapter 690.

Now Therefore, it is Ordered:

Application S-87789 is approved, and Permit Number S-54924 is issued as limited by the conditions contained therein.

Dated at Salem, Oregon on MAY 14 2015.

E. Timothy Wallin, Water Rights Program Manager
for Thomas M. Byler, Director

This order was produced by Kim French. If you have any questions about any of the statements contained in this document, I am probably the best person to answer your questions. You may reach me at 503-986-0816 or Kim.R.French@wrds.state.or.us.
