Lloyd and Lois Piercy
33927 Riverview Dr.
Hermiston, Oregon 97838

Reference: Transfer T-10009

The assignment from John M. McBee to Lloyd Piercy and Lois Piercy has been recorded in the records of the Water Resources Department.

The Departments records will now show Lloyd Piercy and Lois Piercy as the transfer holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 115929 covering the recording fee is also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Please note that this transfer required complete application of water to the proposed use by October 1, 2009, and within one year after complete application of water to the proposed use, the water user shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department. This places this transfer at risk of cancelation proceedings being started.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
