Reference: Application G-13535, Permit G-12979

The assignment from Frank and Peggy Wallace to Randolph and Deborah Wallace has been recorded in the records of the Water Resources Department.

The Departments records will now show Randolph and Deborah Wallace as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 115905 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,

Jerry Sauter
