Mark William Sherbourne, Trustee

PO Box 3157

McCall, ID 83638

Reference: Application S-84609, Permit S-53790

The assignment by proof from Harry W. and Judith G. Sherbourne to Sherbourne Living Trust, Mark William Sherbourne has been recorded in the records of the Water Resources Department.

The Departments records will now show Sherbourne Living Trust as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 116416 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2006 and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department. This places this permit at risk of cancellation proceedings being started.

Sincerely,

Jerry Sauter

Water Rights Program Analyst

Water Right Services Division
