Reference: Application S-74719, Permit S-53627

The assignment by proof from Charles and Pauline Ernst and Walter M. Fargher Jr. to Charles Ernst has been recorded in the records of the Water Resources Department.

The Departments records will now show Charles Ernst, Ernst Family Partnership as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 116417 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2004 and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department. This places this permit at risk of cancellation.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst  
Water Right Services Division
