Reference: Application G-12284, Permit G-11425

The assignment by proof from Mountain Valley Partnership and Northwest Farm Credit Services to MDLN of Oregon LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show MDLN of Oregon LLC as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 116588 covering the recording fee is also enclosed. The amount remitted was \$5.00 short of the \$85.00 recording fee as evidenced on the form. The Department would appreciate it if you could submit the remaining \$5.00 as soon as possible.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst
