Please note that these permits required complete application of water to the proposed use by October 1, 2012 for permit S-54455 and May 12, 2015 for permit S-54708, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,
