The assignment from David Ehlers and Sarah Ehlers, Trustees to Sarah L. Ehlers Living Trust 2006 has been recorded in the records of the Water Resources Department.

The Departments records will now show Sarah L. Ehlers Living Trust 2006 as the permit/transfer holder(s) of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117115 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit(s) to be familiar with the conditions and timelines contained in the permit(s).

Please note that this permit(s) required complete application of water to the proposed use by October 1, 2006, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). A claim of beneficial use was received on August 24, 2015 and will be reviewed in the future.

Sincerely,
