The partial assignment from Helen M McManus Monroe Rev. Trust 1987 to Joyce Mobley has been recorded in the records of the Water Resources Department.

The Departments records will now show Helen M McManus Monroe Rev. Trust 1987 and Joyce Mobley as the permit/transfer holder(s) of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117116 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit(s) to be familiar with the conditions and timelines contained in the permit(s).

Please note that this permit(s) required complete application of water to the proposed use by October 30, 2015, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). A claim of beneficial use was received on August 24, 2015 and it will be reviewed by the department in the future.

Sincerely,

Jerry Sauter
