The assignment from Richard and Johanna Eggiman to Whiskey Hill Plants, LLC and Jacob and Christy Eggiman has been recorded in the records of the Water Resources Department.

The Departments records will now show Whiskey Hill Plants, LLC and Jacob and Christy Eggiman as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117067 covering the recording fee has already been returned to your agent.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2006, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).
