Reference: Application G-14161, Permit G-13132

The assignment from Gary and Cynthia Cook to Northwest Farm Credit Services, FLCA and Cook Land Holdings, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Northwest Farm Credit Services, FLCA and Cook Land Holdings, LLC as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117404 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Permits G-11475, and G-12470 are perfected, as evidenced by the issuance of Certificates of Water Right. There is no provision for assigning a certified right as it goes with the property.

Sincerely,

Jerry Sauter
