Reference: Application G-16130, Permit G-15939

The assignment by proof from Mary Lou Huffman to William Bryan and Lou Ann Wolfe has been recorded in the records of the Water Resources Department.

The Departments records will now show William Bryan and Lou Ann Wolfe as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 118042 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that this permit required complete application of water to the proposed use by October 1, 2009, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,
