The assignments by proof from Black Family Trust, Steve Black Trustee to Paul Bergna, COO Production, Foley Family Wines have been recorded in the records of the Water Resources Department.

The Departments records will now show Paul Bergna, COO Production, Foley Family Wines as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 117915 covering the recording fees is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that these permits required complete application of water to the proposed use by October 1, 2010 and October 1, 2013, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).
