Reference: Transfer T-8379

The partial assignment by proof from Alvin G. and Elsie S. Jones to The Steve Charron Separate Property Trust has been recorded in the records of the Water Resources Department.

The Departments records will now show The Bond Living Trust and The Steve Charron Separate Property Trust as the transfer holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117968 covering the recording fee is also enclosed.

A transfer is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the transfer to be familiar with the conditions and timelines contained in the transfer.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
