The Dalles, OR 97058

Reference: Application G-15719; Permit G-15289

The assignment from Rebecca Lynn Nelson to Joe and Dianne Abbas has been recorded in the records of the Water Resources Department.

The Departments records will now show Joe and Dianne Abbas as the permit/transfer holder(s) of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 117899 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit(s) to be familiar with the conditions and timelines contained in the permit(s).

Please note that this permit required complete application of water to the proposed use by October 1, 2007, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department. This places this permit(s) at risk of cancelation proceedings being started.

Sincerely,

Jerry Sauter
