Reference: Application S-69969, Permit S-52229

The partial assignment by proof from Sharon McCall to Darin and Erin Larson has been recorded in the records of the Water Resources Department.

The Departments records will now show Sharon McCall and Darin and Sharon Larson as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 118284 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
