9. The water will be completely applied to the proposed use on or beforecompleted.....

Application No.64110.....

Permit No.

Remarks: This water development is on National Forest land and has been

used to water livestock for years.

This application does not relinquish any further reserved rights or prior
beneficial use dates the United States may have.

This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.
