Reference: Application S-85102, Permit S-53872

The assignment from Charles Keeran and Mary Richardson to Karen Green has been recorded in the records of the Water Resources Department.

The Departments records will now show Karen Green as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 118676 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.
