The Departments records will now show Northwest Farm Credit Services, FLCA and Patterson Real Estate Holdings, LLC as the permit holders of record.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that these permits required complete application of water to the proposed use by certain dates, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).
