Dear Ms. Byrd:

REFERENCE: File 61793

We have received your application for use of water for domestic including 1/2 acre lawn and garden irrigation along with the supporting data and fees. Our Receipt 24581 is enclosed. Your application has been filed and assigned number 61793.

Because of the many applications which have been filed in recent months, we are temporarily behind in our processing. Your application will be examined in detail as soon as possible. We will contact you if we need any additional information. If a permit is required to satisfy the conditions of a loan or land sale or if other emergency conditions exist, please let us know and we will attempt to process your application in the shortest possible time.

The permit approving your application will be issued without further correspondence if no additional information is required. The proposed appropriation will be subject to existing minimum flows and demands of prior rights during periods of low water.

Thank you for your patience.

Sincerely,

RALPH H. JACKSON
