Reference: Application S-85707, Permit S-54061

The assignment by proof from Deborah Saengkeo to Wade Savik has been recorded in the records of the Water Resources Department.

The Departments records will now show Wade Savik as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 119222 covering the recording fee has already been returned to you.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2008, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). An Application for Extension of Time has been received.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
