Reference: Application G-16205, Permit G-15829

The partial assignment from Carl Jensen Jr. to Myron Kuenzi / Kuenzi Turf and Nursery has been recorded in the records of the Water Resources Department.

The Departments records will now show Carl Jensen Jr. and Myron Kuenzi / Kuenzi Turf and Nursery as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 119446 covering the recording fee has already been returned.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2009, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department. This places this permit at risk of cancelation proceedings being started.

Sincerely,

Jerry Sauter
