Reference: Application G-12446, Permit G-12245 – Application G-15961, Permit G-15666

The assignment by proof from Samuel Farr to Frances E. Farr has been recorded in the records of the Water Resources Department.

The Departments records will now show Frances E. Farr as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 119575 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Jerry Sauter
