Subject: RE: Hwy 86 Surface Water?

Sara,

Neither the Corral or Smith Ditch is considered a surface water source. Baldock Slough is a surface water source, with WAB number 30920330.

Thanks,

Rick Lusk

Subject: Hwy 86 Surface Water?

Rick,

Do you consider the Coral Ditch or the Smith Ditch surface water? Ground water application around Hwy 86 and Sunnyside and trying to ID the nearest surface water; seems like it should be Baldock. What do you think?

Thanks, Sara
