Application History

Permit G-16935 was issued by the Department on September 11, 1996, and modified by Permit Amendment T-9601 on November 29, 2004. The permit called for completion of construction by October 1, 1998 and complete application of water to beneficial use by October 1, 1999. The most recent extension authorized completion of construction by October 1, 2007 and complete application of water to beneficial use by October 1, 2008. On February 27, 2015, Port of

Morrow submitted to the Department an Application for Extension of Time for Permit G-16935. In accordance with OAR 690-315-0050(2), on April 21, 2015, the Department issued a Proposed Final Order proposing to extend the time to complete construction to October 1, 2018, and the time to fully apply water to beneficial use to October 1, 2018. The protest period closed June 5, 2015, in accordance with OAR 690-315-0060(1). No protest was filed.

FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated April 21, 2015.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to no additional conditions.

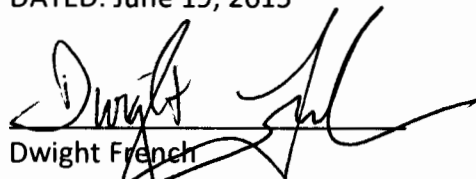

CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).

ORDER

The extension of time for Application G-13264, Permit G-16935, therefore, is approved. The deadline for completing construction is extended from October 1, 2007 to October 1, 2018. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from October 1, 2008 to October 1, 2018.
