RE: Notice of Exempt Reservoirs

Nine small ponds storing less than 9.2 acre feet of water, all with dams less than 10 feet in height and all existing prior to 1993 exist on two pieces of property owned by me in Ashland, OR.

Enclosed is a sketch of my home property on Helman street, namely tax lot 100 39 1E 4CB showing seven ponds ranging from 60 to 1200 square feet and 1 to 4 feet in depth, all fed by irrigation and ground run-off, and all constructed prior to 1960.

Also enclosed is a copy of an aerial photo of tax lot 725 39 1E 24 located off Reiten Drive, showing two ponds, both fed by springs and/or irrigation & ground run-off, less than 1600 square feet in surface area, and built prior to 1989.

Sincerely,

John R. Reynolds, M.D.
