Petaluma, California 94954

Reference: Application G-15477, Permit G-15063

The assignment by proof from Tami and Michael Flanakin to Fred Campigli has been recorded in the records of the Water Resources Department.

The Departments records will now show Fred Campigli as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 120769 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,
