Reference: Application S-88206

The assignment from Umatilla County to East Improvement District has been recorded in the records of the Water Resources Department.

The Departments records will now show East Improvement District as the application holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 120918 covering the recording fee is also enclosed.

A application is not a perfected water right, any permit issued will have conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued.

Sincerely,

Jerry Sauter
