Reference: Application GR-4228, Registration GR-3767

The assignment from William J. and Carolyn K. Jackson to Hulette M. and Shirley A. and H. Marc Johnson has been recorded in the records of the Water Resources Department.

The Departments records will now show to Hulette M. and Shirley A. and H. Marc Johnson as the registration holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 120971 covering the recording fee is also enclosed.

A registration is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
