Reference: Application S-55010, Permit S-45565

The partial assignment of 56 cfs from the City of Salem to the City of Hillsboro has been recorded in the records of the Water Resources Department.

The Departments records will now show the City of Salem and the City of Hillsboro as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 120854 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,

Jerry Sauter
