By my signature below I confirm that I understand:

- ☒ I am asking to use water specifically as described in this application.
- ☒ Evaluation of this application will be based on information provided in the application.
- ☒ I cannot use water legally until the Water Resources Department issues a permit.
- ☒ Oregon law requires that a permit be issued before beginning construction of any proposed well, unless the use is exempt. Acceptance of this application does not guarantee a permit will be issued.
- ☒ If I get a permit, I must not waste water.
- ☒ If development of the water use is not according to the terms of the permit, the permit can be cancelled.
- ☒ The water use must be compatible with local comprehensive land-use plans.
- ☒ Even if the Department issues a permit, I may have to stop using water to allow senior water-right holders to get water to which they are entitled.

I (we) affirm that the information contained in this application is true and accurate.
