The assignment by proof from CFRI-HWKD Middle Zena, LLC and CFRI-HWKD Zena East, LLC to Jackson Family Investments III, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Jackson Family Investments III, LLC as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 121477 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that these permits require complete application of water to the proposed use by April 25, 2018, and November 27, 2017 respectively, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,
