The Departments records will now show Jackson Family Investments III, LLC as the permit holder of record.

Regarding Applications G-12706, G-9321, and G-6816 the requested assignment by proof from Luckiamute Domestic Water Cooperative to Jackson Family Investments III, LLC cannot be made as these are quasi-municipal rights and not assignable without the Cooperative's permission. In addition, this entity is available and therefore an assignment by proof is not appropriate.

Our records have been changed accordingly and the original request is enclosed. Receipt number 121472 covering the recording fee is also enclosed. A refund check in the amount of \$255 will be sent.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,
