Roats Water System, Inc.
61147 Hamilton Lane
Bend, Oregon 97702

Reference: Application G-13809

The assignment by proof from the City of Bend to Roats Water System, Inc. has been recorded in the records of the Water Resources Department.

The Departments records will now show Roats Water System, Inc., as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 121698 covering the recording fee is also enclosed.

An application is not a perfected water right, and will have conditions and timelines that must be satisfied if a permit is issued, prior to a Certificate of Water Right being issued.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
Water Right Services Division
