The assignment from AO Operations, LLC dba Rivergate Farms to Farmland Reserve, Inc. C/O AgriNorthwest has been recorded in the records of the Water Resources Department.

The Departments records will now show Farmland Reserve, Inc. C/O AgriNorthwest as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 121913 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.
