Reference: Application S-80672, Permit S-52622

The assignment from Contessa Lorraine Garnier to Logan Rudkin has been recorded in the records of the Water Resources Department.

The Departments records will now show Logan Rudkin as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 122255 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,
