Appeal Rights

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. A request for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 you may either file for judicial review, or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Application History

Permit G-13361 was issued by the Department on March 25, 1998. The permit specified actual construction of the well to begin by March 25, 1999, and complete application of water to beneficial use by October 1, 2002. The most recent extension authorized complete application of water to beneficial use by October 30, 2016. On October 17, 2016, Lura M. Koch submitted an Application for Extension of Time for Permit G-13361. In accordance with OAR 690-315-0050(2), on November 29, 2016, the Department issued a Proposed Final Order proposing to extend the time to fully apply water to beneficial use to October 1, 2022. The protest period closed January 13, 2017, in accordance with OAR 690-315-0060(1). No protest was filed.

FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated November 29, 2016.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to the following conditions:

CONDITIONS

1. Permit Amendment Condition

The water user shall apply for a permit amendment to change the point of appropriation under Permit G-13361 by **August 1, 2017**.

2. Last Extension Condition

This is to be the last extension of time granted for Permit G-13361. Any future extensions of time requests will be denied.

3. Checkpoint Condition

The permit holder must submit a completed Progress Report Form to the Department by **October 1, 2021**. ***A form will be enclosed with your Final Order.***

- (a) At each checkpoint, the permit holder shall submit and the Department shall review evidence of the permit holder's diligence towards completion of the project and compliance with terms and conditions of the permit and extension. If, after this review, the Department determines the permit holder has not been diligent in developing and perfecting the water use permit, or complied with all terms and conditions, the Department shall modify or further condition the permit or extension to ensure future compliance, or begin cancellation proceedings on the undeveloped portion of the permit pursuant to ORS 537.260 or 537.410, or require submission of a final proof survey pursuant to ORS 537.250;
- (b) The Department shall provide notice of receipt of progress reports in its weekly notice and shall allow a 30 day comment period for each report. The Department shall provide notice of its determination to anyone who submitted comments.

CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).

ORDER

The extension of time for Application G-14584, Permit G-13361, therefore, is approved subject to conditions contained herein. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from October 30, 2016 to October 1, 2022.

DATED: January 20, 2017
