Reference: Application S-87420

The assignment from Jaun A. Ramirez Moru to Jeff Edgar has been recorded in the records of the Water Resources Department.

The Departments records will now show Jeff Edgar as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 123525 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

A permit has not yet been issued for this application. A permit will be issued when proof of a contract for water is presented to the Department. Until that time, no use is authorized.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst  
Water Right Services Division
