The assignment from Northwest Farm Credit Services, PCA to Femrite Nursery Company has been recorded in the records of the Water Resources Department.

The Departments records will now show Femrite Nursery Company as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 123670 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Jerry Sauter
