FINAL ORDER

Summary: Application G-18276 is approved and Permit G-17791 is issued.

FINDINGS OF FACT

The findings of fact in the proposed final order are incorporated herein with the following addition.

11. On March 10, 2017, WaterWatch of Oregon, Inc. filed a timely protest.

CONCLUSIONS OF LAW

The conclusions of law in the proposed final order are incorporated herein with the following addition.

13. The proposed use would ensure the preservation of the public welfare, safety and health as described in ORS 537.525.

When issuing permits, ORS 537.628(1) authorizes the Department to include limitations and conditions which have been determined necessary to protect the public welfare, safety, and health. The attached permit is conditioned accordingly.

ORDER

Application G-18276 is approved and Permit G-17791 is issued in accordance with this order.

Appeal Rights

This is a final order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

This statement of judicial review rights does not create a right to judicial review of this order, if judicial review is otherwise precluded by law. Where no changes have been made to a Proposed Final Order on a water right application and no protests have been filed during the protest period, the final order is not subject to judicial review.
