Dear Thomas (Justin):

The Water Resources Department has received your application for a permit to use surface water. At this time, however, we are unable to accept your application because the minimum filing requirements have not been met according to the Oregon Administrative Rules (OAR 690-310-0040 and 0050).

We are therefore returning the incomplete application and fees. You may resubmit the application with the additional required information and fees noted on the enclosed checklist, on the reverse of this letter. *Please note that the legislature changed the fees, retroactive to July 1, 2017.*

Should you have any questions, please contact Water Right Customer Service at 503-986-0801.

Sincerely,

Tamera Smith
