Application History

Permit G-16143 was issued by the Department on January 4, 2007. Superseding Permit G-17337 was issued by the Department on January 6, 2015. The permit specified completion of construction and complete application of water to beneficial use by October 1, 2011. The most recent extension authorized completion of construction and complete application of water to beneficial use by October 1, 2017. On September 8, 2017, John Hagan II submitted an Application for Extension of Time for Permit G-17337. In accordance with OAR 690-315-0050(2), on October 17, 2017, the Department issued a Proposed Final Order proposing to extend the time to complete construction to October 1, 2027, and the time to fully apply water to beneficial use to October 1, 2027. The protest period closed December 1, 2017, in accordance with OAR 690-315-0060(1). No protest was filed.

FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated October 17, 2017.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to the following conditions:

LIMITATIONS AND CONDITIONS

1. **Last Extension Condition**

This is to be the last extension of time granted for Permit G-17337. Any future extensions of time requests shall be denied.

2. **Water Use Condition**

The use of any water from Well 1 (CLAC 73408) under Permit G-17337 is subject to the condition requiring installation of a meter.

- No water may be appropriated from Well 1 (CLAC 73408) under Permit G-17337 until a meter has been installed. Use of any water under Permit G-17337 without installation of a meter is illegal use of water.

3. **Checkpoint Condition**

The permit holder must submit a completed Progress Report Form to the Department by **October 1, 2022 and 2026. *A form will be enclosed with your Final Order.***

- (a) At each checkpoint, the permit holder shall submit and the Department shall review evidence of the permit holder's diligence towards completion of the project and compliance with terms and conditions of the permit and extension. If, after this review, the Department determines the permit holder has not been diligent in developing and perfecting the water use permit, or complied with all terms and conditions, the Department shall modify or further condition the permit or extension to ensure future compliance, or begin cancellation proceedings on the undeveloped portion of the permit pursuant to ORS 537.260 or 537.410, or require submission of a final proof survey pursuant to ORS 537.250;
- (b) The Department shall provide notice of receipt of progress reports in its weekly notice and shall allow a 30 day comment period for each report. The Department shall provide notice of its determination to anyone who submitted comments.

CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).

ORDER

The extension of time for Application G-16595, Permit G-17337, therefore, is approved subject to conditions contained herein. The deadline for completing construction is extended from October 1, 2017, to October 1, 2027. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from October 1, 2017, to October 1, 2027.
