Dear Water Resource Department:

Back in April 2004, I sold an irrigated parcel of land in Lakeview Oregon. I filled out a request for assignment and sent it into you. The permit holder was John Yocum. Application # G-13347 and permit G-13070. I made a mistake in the application. I did not realize Mr. Yocum drilled two separate wells on two separate parcels under the same application number. This new request is to correct the mistake.

John Yocum should retain the water right located in T39SR19EWM Section 29, SENE, NESE, NESE, NWSE, SESE, SESE.

David Mulhollen should have been assigned, T39SR19EWM Section 32. NESE, SESE.

If you have any questions, please call me at 541-947-2161.

Sincerely,

Robert R. "Randy" Utley
