File No. 57970
57971

Elmer J. Jackson

Mitchell, OR 97750

Dear Mr. Jackson:

We have received your applications; the first, filed as number 57970, for a permit to use 0.15 cubic foot of water per second from an unnamed draw for the irrigation of 6.0 acres. The second, filed as number 57971, for a permit to use 0.77 cubic foot of water per second from Indian Creek for the irrigation of 30.9 acres. Also received were your maps and fees in the amount of \$60.30. Your Water Resources Department Receipts Nos. 6532 and 6533 are enclosed.

Permits will be issued for use of water from John Day River and its Tributaries. However, water may not be available during dry periods. The water may be needed to satisfy existing rights or minimum flow standards.

Your applications are satisfactory and will be considered for the issuance of permits in 30 to 60 days.

Sincerely,

Donald R. Buell,
Water Rights Engineer.
