Dear Mr. Halley:

This letter is to inform you of the status of your application for water use. Based on the information you have supplied, the Water Resources Department has reached the following conclusions:

Initial Review Determinations:

1. Your application is complete and not defective.
2. The proposed use is not prohibited by law or rule.
3. The use of water for Domestic Expanded including irrigation of 0.5 acre non-commercial lawn and garden is allowed under OAR 516, the Umpqua Basin Program.
4. The use of 0.01 cubic foot per second from North Umpqua River is available October 1 through August 31.

The use of 0.005 cubic foot per second from North Umpqua River is available September 1 through September 30.

Summary of Allowable Water Uses		
<u>Use</u>	<u>Amount</u>	<u>Season of Use</u>
Domestic Expanded	0.01 cfs	October 1 through August 31
Human Consumption	0.005 cfs	September 1 through September 30

Because of these favorable determinations to your application the Department can now move your application to the next phase of the water rights application review process. This phase is where public interest factors will be evaluated.

To Proceed With Your Application:

If you choose to proceed with your application, you do not have to notify the Department. Your application will automatically be placed on the Department's Public Notice to allow others the opportunity to comment. After the comment period the Department will complete a public interest review and issue a proposed final order.

Withdrawal Refunds:

If you choose not to proceed, you may withdraw your application and receive a refund (minus a \$50 processing charge per application.) To accomplish this you must notify the Department in writing by August 21, 1995. For your convenience you may use the enclosed "STOP PROCESSING" form.

If A Permit Is Issued It Will Likely Include The Following Conditions:

1. You may be required to measure the amount of water used and report that use annually.
2. You may be required to install fish screens at the point of diversion to meet Oregon Department of Fish and Wildlife specifications for adequate protection of aquatic life.

If you have any questions:

Feel free to call me at (503) 378-8455 ext. 454 or 1 (800) 624-3199 if you have any questions. Please have your application number available if you call.

Sincerely,

Gary Holliday, Water Rights
